

# SERVICE DRIVE PRO (BETA)

## KEEP YOUR SERVICE LANE FULL, PHONES FREE

Service Drive Pro answers calls, handles inquiries, and books maintenance appointments, without overloading your advisors.

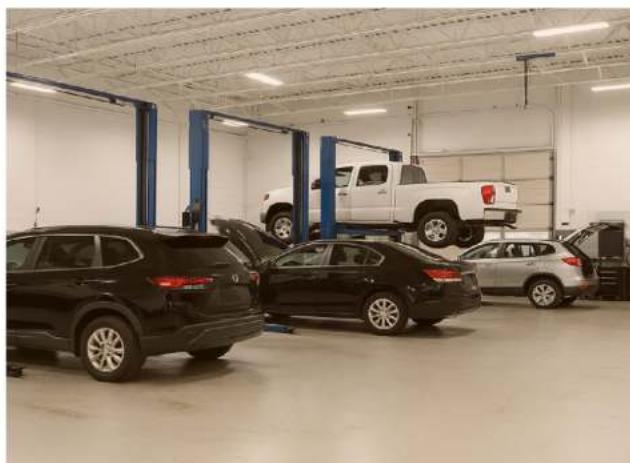

### THE CHALLENGE

Overwhelmed advisors juggle ringing phones and walk-ins, missing calls and revenue. Proactive outreach for maintenance-due customers falls short, hurting appointments, CSI, and profits.

### THE SOLUTION

Service Drive Pro's voice and chat hybrid answers calls, resolves common questions, and contacts customers due for service, keeping your lane booked and staff focused.

### MAXIMIZE SERVICE REVENUE

Our intelligent system intercepts missed calls, answers inquiries, and schedules appointments. It proactively reaches out to maintenance-due customers, ensuring a steady flow of bookings.

### REAL DEALER RESULTS

- Answers busy or after-hours calls with a friendly voice assistant.
- Resolves questions on hours, pricing, or directions.
- Sets, reschedules, or confirms appointments directly.
- Contacts maintenance-due customers to book service.
- Shifts to SMS for seamless follow-up if needed.
- Routes complex issues to live advisors.
- Logs all interactions for full visibility.

*Your service drive stays busy, advisors focus on customers, and no opportunity is missed.*

### REAL DEALER RESULTS

- 30% fewer missed calls in 60 days.
- 15%+ more service appointments from outreach.
- Shorter hold times, less customer frustration.
- Advisors freed to improve CSI and upsell.
